

ENVIRONMENTAL AND SUSTAINABILITY POLICY STATEMENT

REL MEP Ltd. are building services experts. Working across the industrial, commercial, education and residential sectors, we design and deliver sustainable solutions for mechanical, electrical, data and technical projects.

REL are fully committed to continual improvement to enhance our environmental performance, through constant review, in order to provide an effectively controlled environmental management system and service. This Environmental Policy Statement is applicable to all areas of our business and has been implemented to meet the requirements of the ISO 14001:2015. It is our Policy to:

- Prevent pollution
- Protect the Environment in all aspects of our business and in particular regarding significant aspects of our operations, to prevent any adverse environmental effects
- Recycle / reduce / recover / reuse materials wherever practical
- Minimise the environmental impact, for the life cycle (including disposal) of all materials, plant, equipment, and other physical assets under our control.

Comply with legislation & other requirement, at all times (our compliance obligations)

Annual environmental objectives will be set and reviewed by management at the required and designated intervals.

We will employ specialists (where necessary) to assist with environmental matters. We will ensure that we adhere to our Policy and Programmes, and address resulting actions identified through it.

We have included within our system measures to control abnormal and emergency situations.

It is our aim to also consult and communicate our Policy with our internal and external stakeholders, Client's and their representative's, our sub-contractors and our suppliers and all persons working for or on behalf of our Company, to promote environmental awareness, to gain their support to meet our objectives. All of our employees have been briefed and are fully aware of our Environmental Policy.
